JANESVILLE.

## LANDIS IN COURT Several Charged With Volstead Act Violations Go Free in Federal Court.

(Special to Gazette.)  
La Crosse, Feb. 23.—Sam Obis, Madison Italian who was arrested in Janesville two months ago, today changed his plea from not guilty to guilty to the charge of possessing and transporting liquor. He will be sentenced by Judge Landis, Thursday.

When arrested in Janesville, Obis was alleged to have had a bottle of moonshine in one of his pockets which he broke on the sidewalk on his way to the police station. Officer John Barry, who had been summoned for several months of transporting booze from Madison to Janesville.

Chief Thomas Morrissey, Thomas Lawrence and three other of Janesville, were called here to testify.

Acquitted and Arrested  
Shortly after being acquitted by a jury of a charge of conspiring to run freight cars in the railroad yards at Superior, Elmer Simpson, Oscar Anderson, Sig Johnson, Leo Gappa and Thomas Foley were held by Judge Landis to the grand jury under that section of the Volstead act prohibiting a conspiracy to transport liquor. Bonds were placed at \$5,000. All of the defendants testified they went out with Paul Levens, who was charged with not having a freight cut.

Because he was fined \$200 in court at Superior for the same offense, Stewart McCutcheon was discharged by Judge Landis. McCutcheon was charged with a violation of the Volstead act, on the ground that prohibition agents failed to give receipts for liquor seized, was granted.

One Hurley Man Let Go  
A motion to discharge Martin Ensigner of Menomonie, and Louis Promont of Ashland, charged with violation of the Volstead act, on the ground that prohibition agents failed to give receipts for liquor seized, was granted.

TO DIVIDE CITY  
INTO FIVE ZONES

## Zoning Ordinance Would Restrict and Regulate New Buildings as to Location.

The first draft of a city zoning ordinance has been completed by a committee of three from the city planning commission and will be presented to the commission with the completion of a map showing the details. The ordinance would divide the city into five zones, each with its own regulations as to the location of buildings. The zones are: 1. Residential, 2. Business, 3. Industrial, 4. Public, and 5. Special. The ordinance would restrict the location of buildings to the zone in which they are located. For example, a residential building could not be located in a business zone. The ordinance would also regulate the height of buildings, the area of the lot, and the use of the building. The ordinance would be a landmark in the history of the city, as it would be the first time that the city would have a zoning ordinance. Ask Women To  
Apply Now for  
Police Office

In response to the request of Mayor T. B. Welsh, the following women have been asked to serve as an advisory committee to select a policeman. They are: Mrs. Abbie Helms, Mrs. E. J. Manning, Mrs. O. A. Oestreich, and Mrs. C. S. Alwood, by virtue of their office as acting president of the Federation of Women.

Applications for the position should be made in writing and should be sent until March 3 to any of these women, giving also the names of referees. Communications will be opened by the committee, and decided upon March 3.

Some of the qualifications of the applicant as outlined by the committee are as follows: She must be a mature woman of high moral character, not afraid to tramp the streets at night, and give a swift lecture to delinquent girls, and yet young and sympathetic enough to help them in trouble and realize the temptations which come to them. She must have considerable education to be able to help intelligently in the work of a probation officer and in that of administering the mothers' pensions which are allowed by the state laws, and must in fact be a high type of woman who will command respect and be able to exert authority.

The salary to start with will be \$115 with advance, according to the same rate as other police officials, and she will work under the direction of the chief of police. Any one who knows of some one, any suggestions will be gratefully received by the committee.

# BIG CONVENTION HERE CALLED OFF

Chief Speaker Unable to be Here for Meeting of Methodists From 17 Towns.

The district meeting of the Women's Foreign Missionary Society of the Methodist church scheduled to be held here all day Thursday has been postponed indefinitely. It was announced at noon Wednesday by Mrs. George Jacobs, Janesville, district president.

Cancellation of the convention was made upon receipt of a message from Mrs. Leonard Fisher, Cleveland, O., that she would be unable to attend on account of the illness of her husband, Mr. Fisher. The meeting will be held some time in the future, said Mrs. Jacobs. "We hope to have Mrs. Fisher here at that time."

Messages were sent to surrounding cities informing delegates of the cancellation.

## Bottom Drops Out of Prices on Dollar Day

"No other city in Wisconsin can boast of such successful 'Dollar Days' as Janesville," according to A. E. Fetterly, former vice-president of the Wisconsin Dry Goods association, when interviewed here Tuesday night. "Most communities," he said, "have only one such day a year, but you have two."

"Janesville is to be congratulated upon having merchants who co-operate in such excellent manner to give the buying public good bargains. The public should appreciate this and take advantage."

Dollar Day commences Thursday. All dry goods stores open at 8:30 and close at 6 o'clock. Other stores open at the usual hours.

Merchants here state that prices have reached the bottom and during

# Janesville High Squeezes Out Evansville, 17 to 16

## BLUES MAY NOW ATTEND TOURNEY AT WHITEWATER

A free throw slipped through the ring by Dick in the final minute of play broke a 16-16 tie and enabled Janesville high school to take the laurels of Evansville high at Milton Tuesday night, 17 to 16. By that trick of fate, Janesville gets its chance to go to the basketball tournament at Whitewater in March. The victory was made before a mob of fans from this city, Evansville, Milton and Milton Junction that jammed the college gym until there was no standing room remaining. The local fans rushed off with a bang at the opening while the scoring points before the cut-off city team had awakened to the onslaught. When they did come to life, they chased the Blues with such pep that a half dozen times during the second half, the score was tied, with the wildly yelling crowd calling for blood.

At the end of the first half, Janesville was the leader, 7 to 7. Evansville was the chief score maker in the second half, permitting Janesville never to be more than two points ahead. The score went to 14-14. Then the tie hit 15-15. Dick plumped the sphere through the mesh, Janesville fouled, giving Evansville her chance to lengthen the contest, but Roberts missed, and it was over.

Summary:

Janesville (17)	Evansville (16)
Dick, Jr. 13	Roberts, 12
Clark, Jr. 2	Clark, Jr. 2
Gray, Jr. 2	Gray, Jr. 2
Newman, 1	Newman, 1
Lane, Jr. 1	Lane, Jr. 1
Reichardt, 1	Barnum, Jr. 2

Minneapolis.—Ed Hovlik and Charles Humphreys, pitchers, and Charles Jackson, outfielder, have been released by the Minneapolis American association baseball club to St. Joseph, Western league.

### BRINGING UP FATHER

## LAKOTA GAME TO BE HELD MARCH 2

Married and single men of the Lakota club will meet in the high school gymnasium Wednesday, March 2, for their second basketball contest of the season. William P. Langdon will lead the marrieds, while Victor Hennings will captain the bachelors.

The last game was such a thriller that interest is high in the coming clash. Langdon's hopes are high for a victory for the one who has defeated them last time after a grueling battle.

Plans for the affair were discussed at the club meeting last night by members of the committee—George Sherman, Walter Sullivan, George De Bruin and Elbridge Field.

Only 600 tickets will be sold. Each member of the club has been given five tickets to sell, inclusive of one for himself. The proceeds will go into the club's charitable fund. Part of it may go toward furnishing a room at the hospital. The matter will be discussed at the next meeting.

Four new members were voted in last night—Richard Taylor, William Lathrop, Glen Fisher, and Dr. Gerald K. Woolf.

The first of a series of three bridge whist games between the married and single men of the club will be held Thursday night. Ren Koo, Koo, and the single men and Langdon on the other side. The winning side will be banqueted at the expense of the losers.

## All-Stars Tackle Jerfferson Tonight

Janesville All-Stars run over to Jefferson tonight to play the national guard team of that place. The guard has a strong outfit, but heavier than the Stars, promising a tough game for the locals.

Thursday night the Stars will play the college seconds in a return match at Milton. The Janesville has won two in a row, and will be well up in buses and cars and will have no more for 30 outsiders who should get in touch with Hec Major or Manager Dick.

Saturday night the Stars play the Big Five of Delavan. This team will have 25 pounds to a man on the Power City boys.

## NEW LEADERS MADE IN WOMEN'S PIN MEET

MILWAUKEE, Feb. 23.—Out-of-town bowlers showed to advantage in Tuesday's games of the women's state bowling tournament. E. Hoffmann, Sheboygan, took the lead in the singles with 545 and Ada Frenz, Oshkosh, jumped into first place in the all events with 1,457. Elks No. 1, Oshkosh, remained in the lead of the team events with 2,205. M. Dobratz-Klesner, Milwaukee, led the doubles with 978.

## THE CHAUFFEUR

There are approximately 10 per cent as many motor trucks in the United States as there are motor vehicles. The latest registration figures show that during 1920 there were 961,633 motor trucks in use in the country. New York led with a count of 132,524; Ohio, second, with 83,300; Illinois, third, with 64,095; and Pennsylvania, fourth, with 52,605. Big gains were shown in agricultural trucks.

Akron, Ohio, has a new dummy traffic cop that works 24 hours a day. It is a turtle-shaped glass affair resting on a frame of cast steel which rises some ten inches above the ground and which is lighted from the interior by eight red bulb eyes. Motorists are not supposed to drive onto it, but if they do, no harm is done. It is used at night and on dark and snowy days and is said to be very satisfactory for dangerous corners.

If you own a flivver and are a touring enthusiast you are eligible to membership in the T. C. T. W.—the Tin Can Tourists of the World. Each candidate to the roving brotherhood must vow to make the tour better for all automobile tourists by leaving no roads and camps in a manner that will preserve them. You will recognize a T. C. T. W. member by the tin can emblem on his radiator cap.

Motor vehicles are making America's national parks more attractive and accessible than ever before. Aside from the fact that a majority of visitors to Yellowstone and other parks made their pilgrimages by motor, practically all visitors arriving by rail used motor bus transportation to make the most of their time. Yellowstone has a fleet of 150 buses—a motor transportation organization that rivals the capacity of the big city taxi companies.

Ho, for the glassless airplane! Final successful secret tests have been made in Chicago after fourteen years of experimentation by four members of the Leinweber family. They have developed a screw-propelled airplane in which the lifting is accomplished by two pairs of horizontal blades revolving in opposite directions. There are no fragile wings on the new plane.

## County Sportsmen Will Banquet at Beloit Tonight

Sportsmen, members of the Rock County Game Protective association, will gather in annual banquet at the Hilton hotel, Beloit, Thursday night at 7:30 o'clock. Every step will be taken to make the event bigger than the successful affair of last year. Men from this city, Rockton, Roscoe, Clinton, Delavan, Darien, Elkhorn, Evansville, Edgerton, and other towns are expected to attend. Rev. O. W. Smith, Evansville, author of articles on trout fishing; W. E. Barber, of the state conservation commission, and Jack Schnee and Leonard Hopkins, Chicago, expert fishermen, will speak.

## 2nd Girls' Basket Games Tonight

Second set of games of the Older Girls' Basketball conference tournament will be held at the high school starting at 7:30 tonight. The schedule calls for the Congregationalists to meet the First Lutherans and the Methodists to play the Baptists. The boys and the Baptists have lost. Final games are to be played next Monday.

## MISS PREY BOWLS

HIGH SCORE OF 189

The Lucky Curve Girls of the Park For took two games from the Jack Knife Five at the Arcade alleys Tuesday night. Elsie Prey, of the Curvies, hit a high score of 189, with Alice Levzow smashing 151.

## WOODMEN TO ORGANIZE

WOODMEN of the World will organize a baseball team at a meeting next Monday night at 8 o'clock to be held at the office of George Hammes. This follows a meeting of a special committee which made arrangements for the team and established a set of rules and decided to provide uniforms for the team members. Players interested are asked by Manager Johnson to attend a secretary and a treasurer to be elected. The club now seeks a diamond and is willing to rent a suitable lot.

## Here and There, but Mostly Here

By FRANK SINCLAIR, Sporting Editor.

One factor that makes Hank Brackett, the new Samson outfielder such a heavy hitter, is his running ability. Smashing the pill for an average better than .300, he also possesses the speed of a deer in tearing round the bases.

Perhaps the average fan does not give much credit to a player's legs when considering hitting ability. But in many instances, the faculty of being able to beat out the ball gives the batter a hit that might otherwise have been an out.

Another man on the Samson team possessed with that attribute is Brockbridge, and it so happens that Brock was the man who discovered Brackett.

Monday's first basketball tournament for girls ever to be held here opened at the high school gymnasium. This is a sign that Janesville is fast becoming more of an athletic center despite handicap of lack of suitable playing space. With constant boosting upon the part of everybody, the Power city will keep on its feet and continue to make a name for itself in the sporting world.

One of the finest fields whereby Janesville, Beloit and other Rock county cities get together to boost sports on a common footing is the annual banquet of the Rock county Game Protective association. There were nearly 200 present at the one held in Beloit last year and the indications are that there will be at least that many at the one to be held down here next Thursday night.

The club has done much to protect the fishing interests of the county and through it millions of fry were placed in Rock river last summer.

New York.—Benny Kauff, Giants' outfielder, was kept from leaving on the southern training trip on account of his trial for auto stealing.

## COBB BELIEVES HE CAN CORRECT EHMKE'S WEAKNESS AND MAKE HIM A BIG STAR

Ty Cobb, looking over a pitcher's shoulder, left, and Howard Ehmke.

Ty Cobb is confident that Howard Ehmke, young Tiger twirler, will become the greatest pitcher in baseball. After Ty gave the slim slinger from Silver Creek some advice on what to do when he had two strikes; on the hitters, Howard turned to and won eight out of nine games last summer. Ehmke is bigger, heavier and stronger than ever this year and Cobb declares confidence in his own ability is all he needs to make him a world's sensation. Cobb ought to be able to give Howard good dope on how to pitch to batters. For Cobb has made a study of hitting—as his record will testify.

## Second Inter-City Chess Contest Here Tonight

Janesville chess experts will try to stage a comeback against Beloit tonight when an intercity match will be played at the Y. M. C. A. here starting at 7:30. Last week, the Janesville players went to the Gateway City and were trimmed four out of the seven. Confidence is expressed that they will turn the tables tonight.

## HOUSES FOR SALE

Is the price of a cozy new  
 bungalow w. have just listed.

The house is well placed on  
 a good sized lot, is painted  
 white with green trimmings.  
 The porch with its flower  
 boxes and flower boxes along  
 the windows make this place  
 a very attractive home.

There are five rooms, living  
 room, dining room, kitchen, 2  
 bedrooms, and bath. Hard-  
 wood floors in all rooms, neat  
 electric fixtures. Full sized  
 basement with cement floor.  
 Hot air furnace keeps the  
 house warm.

Large attic over the whole  
 house which makes a fine  
 store room. Garage for one  
 car.

Extra good material, was  
 used in this house, as it was  
 built by a builder for a home.

It is a home we are proud  
 to show and we know you will  
 be proud to own it.

Located in 3rd ward.
